

The BC Library Federations have negotiated preferred pricing for interlibrary loan mailbags for BC Libraries. The canvas mailbags (see photo sample below) are made to order and the pricing is valid to **October 31 2022**. Freight and taxes are extra and there are no minimums per size or colour. BC Public Libraries may order directly, as need arises, and will be invoiced directly from Barmy Tech. (no need to wait for federation consortium order)

Please complete the order form (can be saved and modified) and email to:
